

FURNITURE, SUPPLIES & CLOTHING WISH LIST FOR OUR SYRIAN REFUGEE FAMILY

Accurate as of Feb. 8 evening

Can you help in obtaining any of these items? If you don't see an item here that you'd like to donate, someone has beat you to it - the word is out, and our Kingsway church family and friends are generous!

Please contact Ramona Matthews to let her know your intention to donate an item to avoid duplication; contact info is in the church directory.

- Note:** 1) We are *not* collecting toys, art work, or plants.
2) All items must be clean, from a smoke-free home, and in very good to excellent condition.
3) For larger items, please send Ramona a photo.
4) For furniture, we are looking for items with a smaller profile, rather than oversize ones.
5) Keep in mind that if we get your item and then cannot use it for some reason, we'll donate it to an organization that can make use of it.

We do not know the sizes that will be required, but the following items can be brought to Kingsway House for selection on arrival.

Donations must be clean and in excellent condition.

Scarves; hats; mitts for all; gloves for the parents; snowsuits for the sons; coat for the father; winter boots for the father; shoes.

Items that cannot be used by the family will be taken to Great Finds, Stonegate Ministry's second-hand store.
